

Clay County will be holding a lottery for the 2018 camping season at the Clay County Recreational and Gibson Cove Campgrounds. The lottery will take place at the Clay County Courthouse located at 261 Courthouse Drive, Hayesville, NC 28904 in the Multi-purpose room on October 14, 2017 at 10:00am. All campground sites available for the lottery can be viewed at [http://clayconc.com/wp-content/uploads/2015/09/rec\\_park.pdf](http://clayconc.com/wp-content/uploads/2015/09/rec_park.pdf) (Clay County Recreation Campground) and [http://clayconc.com/wp-content/uploads/2015/09/gibson\\_cove-new.pdf](http://clayconc.com/wp-content/uploads/2015/09/gibson_cove-new.pdf) (Gibson Cove Campground) and the fee structures can be viewed at <http://clayconc.com/wp-content/uploads/2015/09/doc03809920160205103346.pdf>. The process for this lottery is listed below:

1. In order to participate in the campground lottery a participant must provide RV vehicle registration documentation at the time of the lottery drawing. Participants can only enter the lottery drawing once.
2. The registered RV owner does not have to be present at the lottery to participate, however he/she must designate someone to be present and provide the designee with the registration documentation.
3. A Clay County Representative will randomly draw one lottery application form and that applicant or designee will have five (5) minutes to pick the long term site for that camping season. Once applicant has selected their long term camping site, a contract will need to be signed and April's and October's rent has to be paid at that time. If payment is not received at that time then the site selected will be put back into the lottery. The drawing will continue until all long-term sites are accounted for. After all long-term sites are accounted for the representative will continue the lottery until all applicants have been drawn; these drawings will constitute the waiting list. In the event that a long term site becomes available during the season, the waiting list will be used to determine who occupies the site.
4. Annual lottery records will be maintained by Clay County and these records will include RV registration names and sites selected. This will prevent the swapping of sites or selling of sites, which is strictly forbidden. If swapping or selling sites does occur the campers involved will be removed from the campground and not allowed to participate in the lottery for one year.
